Subject : Physics Cup-IPhO2012

Dear Friends:

I am pleased to help promoting the online physics competition: **Physics Cup –IPhO2012** which is established by the Organizing Committee of the 43rd IPhO. The following message was sent by Prof. Jaan Kalda of Estonia on September 3, 2011.

Best regards,

Ming-Juey Lin
Secretary of IPhO

Dear Ming-Juey Lin,

Could you help me to promote our online physics competition (warm-up for the IPhO-2012) by sending my message to all the members of the International Board?

My message is as follows:

Dear colleagues,

We are organizing an online monthly physics competition, which is aimed to serve as a "warm-up" for the IPhO-2012, called "Physics Cup - IPhO-2012". The regulations of this competition can be found at the web-page of IPhO-2012: <http://www.ipho2012.ee/physicscup.html> . Please disseminate this information among your students!
See you next summer in Estonia!

With best wishes,
Jaan Kalda
Vice-chairman of the Academic Committee of IPhO-2012

Thanks and with best wishes,
Jaan Kalda
